

Dear Resident/Occupier,

**Ivington Road, Leominster
Drainage Works**

We need to let you know about some work we're due to do on Ivington Road.

Works will be taking place under a full road closure, starting on Monday 21st February 2022 to (and including) Friday 25th February 2022. The type of work we're doing will mean we need to fully close the road for 24 hours each day.

The fully signed diversion route for **cars/LGVs** is via Ivington Road / Newtown Lane / A44 / Dishley Street / Ryelands Road / Ivington Road and vice versa.

Residents will be able to access properties from either side of the closure.

We are sorry for any inconvenience this may cause you. At Balfour Beatty we work in partnership with Herefordshire Council to minimise the impact of our work and try to keep all disruption to a minimum - we appreciate your patience.

The programme of work may change in certain circumstances, such as bad weather. This may happen at short notice and without further notification. All changes will be highlighted on the advance warning signs, which you'll find onsite at the roadworks. You can also follow us on Twitter via @HfdsStreets and Facebook via Herefordshire Highways for any updates on roadworks.

If you have any questions, you can email us at Herefordshire.projectcomms@balfourbeatty.com or Tel: 01432 261800

Yours faithfully,
